THE 1955 WARWICK

Published for the Student Body
by the Annual Staff of

WARWICK HIGH SCHOOL

Warwick, Virginia

Seventh Period

Familiar to all of us is the knowledge that the name borne by our school was derived from Robert Rich, 2nd Earl of Warwick, who was given a grant of land by King Charles I of England in 1643. We are indeed proud of our name and heritage.

Therefore, may we, the Annual Staff, introduce "our" Earl of Warwick, who will present to you the activities of the student body of Warwick High School in the year 1955.

DEDICATION

A friendly smile and a pleasing personality characterize the individual whom we have chosen to hold the place of honor in our *1955 Warwick*.

We are extremely grateful for the encouragement and enthusiasm which she has shown in all our school activities. We have come to respect the efficiency with which she performs her many duties and her unique sense of humor.

Therefore, it is with the deepest feeling of admiration and appreciation that we dedicate the *1955 Warwick* to Mrs. Virginia P. Millner.

P. T. A.

The accomplishments of the P. T. A. this year were many. They continued the scholarship fund of $150, offered to a graduate who will prepare to become a teacher. The organization raised funds by managing the concession stand at the athletic events. Members chaperoned the school dances and other recreation programs.

The local group was represented at all District and State Federation meetings and at the Newport News-Warwick Workshop.

Three of the four regular meetings were followed by a social hour, at which time parents had some opportunity to confer with teachers. One of the year's most interesting programs was sponsored by the fathers in February, when boys and girls from the Physical Education Department presented a program representative of their class activities throughout the year.

P. T. A. members have a busy time at the "half."

SENIOR CLASS

When September came last fall, and school was in session again, we found it hard to realize that we were Seniors and entering for our last year these familiar halls. As each season with its sports and other activities rolled by, we began to know just how much our high school life had meant to us; and how much we would miss it.

As we walked down the aisle toward the goal of receiving our diplomas, the past seemed to form in our minds; the ball games and class meetings in one of which we chose our peaceful colors of mint green and white. We couldn't possibly forget our Class Day, the fun and laughter of the Grab Bag, and of course the Prom, given to us by the underclassmen. Unforgettable, especially to us, were our friends, both students and teachers at Warwick.

As we sang it together for the last time, we realized what an inspiration our class song, "I'll Walk With God", was to us.

We have gone now, walked up the familiar aisle together, slowly, perhaps sadly, but in our hearts we know the world awaits and welcomes us. There is "so much to do, so little done". We are ready to close one chapter of our "Book of Life"; we are anxious to open another.

JUNIOR CLASS

What a thrill it was to think, as we started school this September, that we were finally juniors. We had been looking forward to this time since we entered high school, because it meant we were really upperclassmen. We began taking positions of leadership.

Two of our classmates were officers in the S. C. A., and many of us played important parts on the various committees. At plays and assemblies, we recognized members of our class, several as ushers and many as participants in the assembly programs.

The juniors were ardent supporters of school functions such as recreation nights and dances. When the annual and newspapers came out, we were proud of the parts which our classmates had played in the production of those publications.

In the field of sports, our boys displayed qualities of leadership, while junior girls as Varsity cheer-leaders added their vigor to each game and pep assembly.

Probably the most exciting event of the year was receiving our rings; but we worked hard on the Prom as well and when it was over, felt we had done a good job. Now we look forward to filling the seniors' positions and wearing proudly our caps and gowns.

SOPHOMORE CLASS

Much interest is shown in Biology.

This year when we re-entered Warwick High School, we were happy to see our classmates. At first we were noisy, but soon realized the tremendous responsibility ahead.

We began playing a bigger part in school life. One of our girls was the highest salesman in the magazine sales. The boys were taking the lead in J. V. sports, and several even made names for themselves on the varsity. Four of our girls were on the J. V. cheering squad and two on the varsity. The sophomores backed our school dances, recreation nights, assemblies and plays.

We are looking forward to our junior year, but we shall never forget our wonderful times as sophomores.

FRESHMAN CLASS

This year we were no longer "rats," but as Ninth graders, finally a part of Warwick.

Before long we made ourselves known by placing three girls on the J. V. Cheering squad and a number of boys on the football teams.

We began to notice a change in our studies. Some of us wrestled with Latin and Algebra, while others dug into harder science. We began carrying more books home than we ever knew existed.

This year we began taking a more active part in school activities. Some of us participated in assemblies, and some were members of the various committees.

Our freshman year has been very successful, and we are eagerly looking forward to those which follow.

EIGHTH GRADE

Keiji Jonouchi, an eighth grader, enjoys studying art at Warwick.

We eighth graders were lost and bewildered when we first entered Warwick High School. Soon we settled down and learned the locations of the cafeteria, auditorium, library and classrooms and became acquainted with the routine of changing classes. We even finally managed to arrive at the right place at the right time.

We soon gained recognition in various school activities. Two "rats" earned places on the J. V. cheering squad; one of our number made the J. V. football team; several were regulars on the eighth and ninth grade team; one member was cast in the play presented by the Warwick Play House.

This has been a wonderfully happy year for us, a year in which we hope we have become ready to accept the responsibilities of a high school career. Now we look forward to taking our place beside the good citizens of Warwick who have preceded us.

IN MEMORIAM

HUGH ELLIS ALLIGOOD

A life has gone from among us—a life which was loved and respected by all who knew him. The memory of Hugh will not soon fade, for his passing leaves a vacancy in the Senior Class of Nineteen Hundred and Fifty-five which time only can partially fill.

He was our friend and classmate, one who took an active part in various sports and whose artistic ability was evident to all. Though saddened by his untimely passing, we can draw consolation from the words of the celebrated English poet,

"Tis better to have loved and lost
than never to have loved at all."

Hail To The Sharpshooters

Glenn Shepard
President

The Student Co-operative Association, the most important organization in Warwick, has accomplished many of its goals which were set forth at the beginning of the year. To gain a greater sense of honor throughout the school, campaigns for a new honor code were held. The Ethics Committee worked very hard and long on this project.

Many new committees were established to carry out the aims and objectives of the fast expanding S. C. A., which has shown that it was among the best organized groups in the state. The very successful social activities included dances and recreation nights, all well supported by the students. The Pep Committee really aided the school spirit of the students by its many undertakings. In all, the committee members and their chairmen have been a great asset to the S. C. A.

The S. C. A., composed of the Executive Council and the S. C. A. Congress, decided on many important subjects and has put forth much effort which was shown by its fine achievements.

Glenn Shepard, President of the S. C. A.; aided by Tom Crosley, Vice President; Billy Cole, Second Vice President; Barbara Cooley, Secretary; Arthur Wildman, Treasurer, Nancy Lanier, Reporter; Nancy Pleasants, Parliamentarian; Mrs. Sara Geddy, Faculty Advisor; and the student body, can truly point with pride at the year's work.

SPANISH CLUB

Bobby Bryant sings "The Lord's Prayer" as Spanish students present assembly.

The Spanish Club this year chose the name "Los Campesinos Espanoles" which means "The Spanish Farmers" in Spanish.

At our meetings we conducted as much of our business as we could in Spanish. Also during the meetings we saw slides or heard talks about Spain and Spanish speaking countries. At our Christmas party we practiced Spanish customs, danced to Spanish music, and broke a pinata.

When we helped to put on the Spanish Assembly in April we learned many more interesting things about Spanish life and customs.

Our officers were Wayne Crews, President; Linton Robeson, Vice-President; Harry Nottebart, Secretary; Gene Woodall, Committee Chairman; and Miss Jean Williams, Faculty Advisor.

F. H. A.

Mrs. Kimbro, Home Economics Department head.

The Future Homemakers of America is a national organization of Home Economics students. It offers opportunity for the further development of initiative in planning and carrying out activities related to homemaking.

The F. H. A. brings together groups interested in and working toward better home living, and sponsors group projects, local, state, and national. It increases opportunities for the development of leadership and intelligent participation needed in a democratic society.

This year the F. H. A., under the sponsorship of Mrs. Kimbro and Miss Barrow, held its meetings before school. The officers were, Janice Hudson, President; Betty Norris, Vice-President; Deborah Prior, Secretary; Joyce Seymour Green, Treasurer; Margaret Cyrus, Reporter; and Pat Harlow, Parliamentarian.

ANNUAL

When the "green members" of the Annual Staff walked into room 203, they did not realize the terrific job ahead. At first they were bewildered; but following the example of the experienced members, they soon fell into "the swing of things". "Bev", as editor, supervised all the activities, while "Joanie" kept track of the finances.

The first major job was selling ads. This is most important as the ads pay for a great part of the annual. Next, we drew up the "dummy", which is a rough draft of the finished yearbook with sketches made of the pictures and copy to be used on each page. Then, there was the gigantic task of scheduling pictures, taking the groups, writing the copy for each page, and finally typing the complete product.

The 1955 *Warwick* will be the first to come out in the summer. We hope this change will be acceptable to the student body, and that they will realize the value of having a complete coverage of the year's activities under one cover.

EARLE

"When is the *Earle* coming out?", is a familiar question which circulates around Warwick about every three weeks. Who can answer it—those fourteen former journalism class graduates who make up what is known to us at Warwick High as the newspaper staff, the publishing body for the *Earle*.

This group of enthusiasts meet one period each school day, for the purpose of gathering the news and feature stories, in preparation for the six or eight page publication.

As a team, the staff gathers all the school news available; and each member contributes his information toward the composition of the paper. Factual material is sought out by each member acting as a reporter for the different educational departments of the school. Feature

matter is taken care of by the columnists and special feature-story reporters.

For the mechanics of the paper, each student takes part in setting headlines and ads in the shop, operating the varia-type machine, drawing cartoons, and constructing the make-up sheets for the paper.

The business function of the *Earle* staff is taken charge of by the advertising and business managers, and the exchange editors, who keep up a newspaper exchange system with other schools.

All of these individual units of the staff's work are joined smoothly together to form the finished newspaper. This is always accomplished, since the staff works harmoniously as a whole.

SAFETY PATROL

The Safety Patrol, which had its first meeting in October, saw 200 boys and girls out to assume their duties on the campus and in the busses. Rudy Mixson was appointed captain with Leonard Calhoun and Darlene Melton as lieutenants. There were 64 regular patrolmen assigned and 32 alternates. Patrolmen were stationed at various places on the grounds to direct traffic, and there were two on each bus. Watching out for the safety of over 1700 students and 30 buses was a tremendous undertaking, and we salute these people for a job well done.

LIBRARIANS AND ASSISTANTS

Taking care of the library at Warwick is a big job. Mrs. Harmon, head librarian, efficiently performs her many duties and is ably assisted by Miss Jean Doughty. In addition, students, acting as library assistants, take care of the charging desk, the entrance desk, catalogue books, set up bulletin boards, and do many other things which are included in the library program.

FIRST BAND

Warwick bands have participated in many things this year and won numerous awards. They began the year by playing at football games and taking part in pep assemblies. During the year they participated in the D. C. Fireman's Parade, National Safety Parade, Armed Forces Day Parade and Memorial Day Parade. Richard Pulley took first place award as best drum major in the Senior Division and the entire band won first place in the D. C. Fireman's Parade. All-State tryouts saw seven Warwick members selected and four members placed in the All-State Workshop. In addition they presented three concerts and were on hand to serve whenever needed.

MIXED CHORUS

As this year drew to a close, we the Mixed Chorus, ended a very musical year. Composed of students from the 10th, 11th, and 12th grades, we enjoy participating in the musical activities of the school.

The annual Fall Concert, featuring such songs as "The Lost Chord" and "The Battle Hymn of the Republic" introduced the audience to the 1954-55 Chorus.

Varied programs, which often included dramatizations, were presented at Christmas, Valentine, and Easter. The season ended with the presentation of an operetta "The Fortune Teller."

A CAPPELLA CHOIR

We, the members of the A Cappella Choir, hold very dear each song, each memory, and the very honor of being a part of this group. We have come a long way since we first entered Warwick, and we have finally reached our goal—we have attained the place so cherished by us all.

Those of us who remain can sing on, but those leaving can only remember—remember each concert, especially the beautiful Christmas Candlelight Service with our "Song of Christmas"; remember "The Night Before Christmas", "One God", "Psalm 150"; and always the feeling deep inside when we sang "The Battle Hymn of the Republic". We shall remember the operetta, the Senior Class song, "I'll Walk With God", and our pride in singing the "Hallelujah Chorus".

All this we shall remember; but none will ever forget the never-ending work of Mrs. Sheaks, for she is a part of every soprano, alto, tenor, and every bass. We shall always be indebted to her for the music she inspired, and for the love instilled in each of us for our Choir, and beautiful music.

WARWICK PLAYHOUSE

The Warwick Playhouse is made up of students interested in dramatics. The members not only act, but must also serve backstage working on scenery, costumes, lighting, and other things. Plays are presented each fall and spring, this year's productions being "We Shook the Family Tree" and "Little Women".

Officers: Delores, President; Jane, Sec. and Treas.; Fay, Reporter.

The Key Club of Warwick is an off-spring of the Kiwanis Club, as is every Key Club in America. The Club is an organization consisting of about thirty boys from the sophomore, junior, and senior classes, selected on the basis of character and scholarship. The immediate objectives of the club are service to the community and the development of leaders in its membership.

Members of the club this year were busy with projects of the moment. A few of these projects were helping the Welfare Department of Warwick by making doll cribs for the underprivileged children, and aiding the Kiwanis Club sell tickets to a charitable square dance.

Aside from their service work, the Key Clubbers added another feather to their caps by sponsoring the winning "Cover-Girl" at the Lions' Club variety show. For their hard work, the members rewarded themselves by holding several social functions.

The officers for 1954-1955 were Arthur Wildman, President; Jim Gillespie, Vice-President; Billy Cole, Secretary-Treasurer; and Tom Crosley, Sergeant-at-arms. Mr. Tom McCarrick was the faculty sponsor.

The spring of each year is a very important time to sixteen chosen Warwick High students who are selected as ushers.

A committee of S. C. A. members select students who have made satisfactory grades and who are recommended by teachers for displaying the qualities of courtesy, responsibility and leadership.

Ushering at graduation exercises begin their many duties. Others include directing students to classrooms at the opening of school; ushering at plays and assemblies; and this year the added responsibility of attempting to relieve traffic congestion in the halls.

They have been doing a tremendous job and have been doing it well. The ushers should receive a great deal of credit for the need which they fulfill.

One of the many jobs of the ushers is to usher at formal occasions.

FOOTBALL

Under the capable guidance of Coach Milt Drewer and led by the brilliant offensive performances of halfbacks, Pete Smith and "Red" Irby, the 1954 Farmers compiled the best football record in the school's history by winning seven, losing two and tying one, and gained the Peninsula championship for the first time with victories over Newport News, 20-0, and Hampton, 32-6.

Smith and Irby, lauded throughout the season by opposing coaches, were both named to the All-Eastern District first team and made second-string All-State. Irby ranked third among the Group One scorers with 87 points and Smith finished in a four-way tie for eighth with 61.

The Farmers, who scored 212 points to the opposition's 52, were paid their greatest tribute when the Peninsula Sports Club named Coach Drewer for its 1954 "Man of the Year" award, for in honoring him they also honored his coaching aides and members of the finest team in Warwick annals.

The Varsity Cheerleaders with their fine work and enthusiastic spirit have certainly made our games and pep assemblies more colorful and enjoyable.

We feel that their presence has provided the "spice" which made this year a winning one for the Warwick teams and congratulate them on a fine performance.

"Go, Go, Go, everybody" was the chant heard resounding through the building day after day. This came straight from the hearts of the nine girls selected to be J. V. Cheerleaders. With each practice they became more proficient, and their cheerful smiles and pleasing voices were morale boosters to the team, regardless of the outcome of the games.

J. V. FOOTBALL

The J. V.'s under Coaches Jim Locklear and Joe Agee opened practice with 45 boys reporting, including two lettermen, Doug Earley and Warren Wood. After two weeks of practice, we journeyed over to Portsmouth to play Woodrow Wilson. After a scoreless first half, we were defeated 19 to 0.

The season was not one filled with success as far as wins were concerned, but we felt that the boys gained some very valuable experience in fellowship and teamwork. The highlights of the season were our smashing victory over the "Baby Crabbers" and an enjoyable trip to Highland Springs climaxed by a 12 to 6 fourth quarter victory.

8th AND 9th GRADE TEAMS

Eighth and ninth grade boys showed a great deal of interest in both football and basketball. The football season was not a successful one in that all games were lost, but the coaches noted fine spirit and team co-operation. The basketball season was an overwhelming triumph for them, as they finished with a 13-3 record and the district championship.

The Warwick Farmers under their new Coach, Joe Agee, ended their 1954-55 basketball slate with a 7-9 conference record, and a 9-11 overall.

The record does not indicate that the Farmers had a highly successful season, but a few statistics will prove that basketball is definitely on the up-grade at Warwick. For example, nine wins are the most won in Group I competition; the Newport News defeat was the first in Farmer history; and the team broke the single game scoring record (71) against Granby by scoring 73 points.

Captain Pete Smith, along with two All-Eastern District cagers, "Butch" Lambiotte and Tommy Lanier, led the scoring parade in total points, while Sandy Russell was best from the charity line with 77%.

The Farmers should be in top contention for the Eastern District crown next year with five lettermen returning.

P. S. WARD'S ESSO STATION

J. V. BASKETBALL

Coach Tom McCarrick

The Warwick High J. V. basketball team, under the direction of Coach Tom McCarrick began and ended its season with a loss. In fact our season record was three wins — seventeen losses.

The team, led by its co-captains Andy Shankland and Hamilton Newton, consisted of only nine players. Only three of these boys had played J. V. ball before; they were Andy Shankland, Linton Robeson and Raymond Davis. The remainder of the team was made up of boys from last year's 8th and 9th grade teams.

Experience for future years on the varsity was our main objective during the season, and marked improvement was shown by several of the boys. To name a few: Bobby Allen, Nelson Lester and Bobby Irby.

Next year we can look forward to a better season with help from the 8th and 9th grade team.

WRESTLING

This season ended Warwick's fourth year with wrestling as an interscholastic sport. From an 0 - 4 record the first year, the Farmers have emerged as championship material, ending this season with 13 wins and one loss. A highlight was Warwick's win over Granby, that school's first defeat in its history by a high school team.

The Farmers placed second in the State Wrestling Tournament, losing by only eight points. The team was led by Captain Russell Moats, heavyweight champion of Virginia, and Johnny Crews, 130 lb. champion. Four members placed second, one third, and two fourth.

The five seniors have done a fine job and will be sorely missed, but already Coach Hamilton and the remainder of his team are looking forward to next season and an even better record.

Third Row: Bill Baker, Gardner Smith, Jock Wilkins, Donald Thomas, Donald Snead, Kent Decker, Stuart Forbes, Bill Hancock, Manager, Henry Lawrence.

A young and inexperienced group of athletes blossomed into an above average track team, that promises to assert itself because of its desire, spirit, and willingness to work.

This team, led by its Co-Captains Ranny Harris and Harvey Phillips, gave a very convincing showing throughout the year and culminated it all by finishing sixth in the State Group I meet.

Warwick's well balanced team included seniors Harvey Phillips state champion pole vaulter, Ranny Harris broad jump and dashes, Kent Decker hurdles, Billy Blankenship miler, and Ronald Davenport 440. Nucleus for the next year will include Billy Cole our work horse, Ivey Bridges dashes, Don Snead 440 and jumping, Lowell Vaught, Jerry Klick weight events, Don Thomas and Eddie Mears, distance. These plus others on the squad should provide a brighter future.

Warwick had meets with Norview, Oscar Smith, Cradock, Hampton, and Newport News.

BASEBALL

Varsity Baseball began on March 1 with 85 boys reporting for 16 positions. The first game was March 30 and the last on May 31st. The 14-2 record shows a very successful season, the losses coming at the hands of Oscar Smith and Hampton.

The regular season ended in a tie between Warwick and Hampton for the Peninsula Division Championship. On May 23rd Warwick emerged victorious from the game play off. This gave them the opportunity to meet Maury for the Eastern District Title. Three days were set up for these play offs, Maury winning the first, the second rained out and Warwick the third. Result—Warwick and Maury Co-champions of the Eastern District.

BASEBALL

Our J.V.'s had one of the best seasons in Warwick's history, with a 6-0 record. Defeating George Wythe, Matthew Whaley, and Wilson twice each, Sandy Russell, James Kellem, Wayne Register, and Billy Black are only four of the talented prospects for Coach Locklear's varsity next year.

The 1955 Tennis team ended its season with a 7-2 record. The team, led by its number one man David Zelle, lost only to the Eastern District Champs, Maury. The team as a whole had a very good season.

The Golf team played 11 matches, winning 7 and losing 5. They defeated Woodrow Wilson, Matthew Whaley, Norview, and Granby and lost to Hampton and Maury.

Ruth Strole Givens is another well-known Senior leader.

She began serving her school as class treasurer in her Freshman and Sophomore years.

A great deal of the success of putting into effect the honor system was due to Ruth's hard work and patience.

Having participated in a variety of activities, she has excelled in them all. As a member of the Mixed Chorus and A Cappella Choir, Ruth was a definite asset to the group.

Perhaps her greatest honor was that of receiving the D.A.R. Good Citizenship Award which we know was truly deserved.

Another achievement to add is her selection as the Senior girl "most likely to succeed". Her conscientiousness and prominent character resulted in this personality selection.

As a future Lynchburg College student and prospective teacher, we know that Ruth wil excel in whatever she undertakes. May the best of luck and success always be with her.

SENIOR

As the President of the S.C.A. Glenn Shepard has done a superb job. This is only one of his many fine achievements in high school. His leadership is recognized in the Science Club and the Key Club, and he has been active in the S.C.A. Congress and Executive Council.

Though Glen's efforts the honor system has really been well rooted in Warwick.

In his early high school years he was a member of the wrestling team.

Glenn was chosen as the boy "most likely to succeed." His classmates feel assured that this will come true.

Serving as an usher and homeroom officer, he has added to his growing list of accomplishments.

There is no doubt that Glenn is the busiest student in school, as he has participated in many and varied activities and has done them all well.

Possibly a future University of Virginia student, we know that Glenn will be as outstanding there as at Warwick. Our best wishes go with him wherever he may go.

One of our most capable students who has rightly deserved the title of "Senior Leader" is Beverley Lee Amory. "Bev" has eagerly participated in school activities since the first day she entered Warwick High.

Chosen the "Best Looking" girl in the senior class, and Queen of Warwick's first Homecoming, she is always seen with a friendly smile for everyone.

"Bev", having held homeroom offices throughout her years at Warwick and having been the junior class secretary, has proven herself to be industrious as well as pretty.

When a junior, she was chosen from the Annual Staff to be a delegate to the S. I. P. A. Convention. A helpful and eager worker, she gained the title of Editor of the 1955 Warwick, which was indeed a great honor.

"Bev" will probably choose Randolph-Macon Woman's College to further her education next year. We know she will be an asset to the college and we feel sure she'll be as outstanding there as she has been here at Warwick. Good luck "Bev".

LEADERS

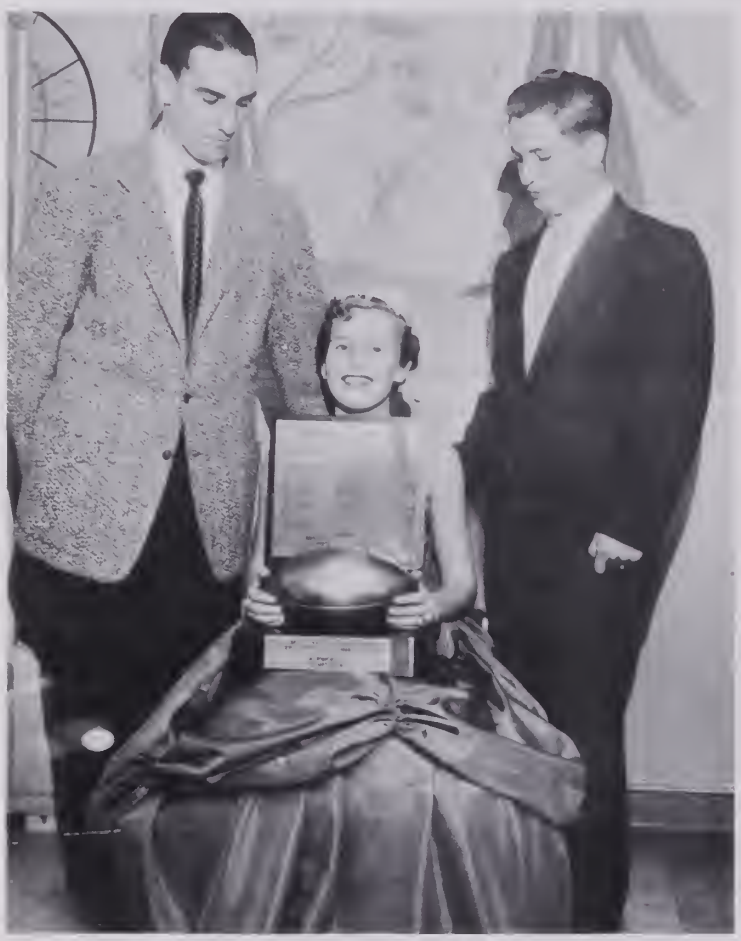
Thomas Edward Crosley, Jr., the "Best All Around" senior boy of the Class of '55, was another deserving Senior Leader. "Jake's" outstanding personality and initiative have won him many honors during his five years at Warwick High School.

Serving as president of the eighth and tenth grades, 2nd vice-president of the S.C.A. while in the eleventh grade, and 1st vice-president of the S.C.A. during his senior year, he has taken an active part in the S.C.A. Executive Council, Congress, and committees.

Elected Co-captain of the 1954 Football Team, by his teammates, "Jake" not only led in the student government but excelled on the football field the five years of his high school career.

Next year the University of Virginia will accept this fine senior among its many new freshmen. We wish you luck, "Jake", in all you do. Warwick High will not forget you and you will especially be remembered by the Class of '55.

INTRODUCING WARWICK'S QUEENS



Nancy Pleasants, pictured with Co-Captains Tom Crosley and Ronald Davenport, was the 1954 Football Queen. She was selected by members of the team and was guest of honor at the banquet held in Williamsburg.

Beverley Amory, pictured with escort George Shield and S. C. A. president Glenn Shepard, was Warwick's first Homecoming Queen. She was crowned by Principal George W. Cox, Jr. at ceremonies held between halves of the Warwick—Hopewell game.

ACKNOWLEDGMENT

As we leave Warwick in 1955 we would like to express our appreciation to the following who have helped us to publish this book:

THE MYERS PUBLISHING COMPANY and MR. NEILL WATSON for their advice and the printing of this book.

NACHMAN'S STUDIO for the individual pictures.

MR. GENE EDMONDS for taking our group pictures.

OUR ADVERTISERS for supporting this publication.

MISS FRANCES M. WHITEHURST, our adviser, whose patience, advice, and solutions to our problems made our job such a pleasure.

THE STUDENTS, FACULTY, and ADMINISTRATION, for their interest and cooperation throughout the year.
